

Seasons of Creativity: Into Winter

Suggested items and art mediums that may be useful in all Art Dates with creative sessions!

(please note: this is not an obligatory kit and these supplies are NOT included in the price of the class.
I encourage you to work using your own stash and things you have at home!)

Suggested Elements:

- stretched canvas, HDF panel or wooden plank for your collage - suggested size is not bigger than 30 cm (12'' tall)
 - one medium-sized simple notebook or journal you can write/sketch/doodle in - not too valuable or too beautiful! I'm using Moleskine Art Collection - Watercolour, 13 x 21 cm
 - your favourite pens you use for writing or doodling
 - various tapes, stickers, rub-ons, envelopes and paper bags to use in your book
 - your favourite stamps and inks
 - a bunch of paper scraps, various textures and prints
 - a selection of your favourite pens, pencils, crayons,
- a bunch of small findings from the studio - fabric scraps, thread, embellishments, washers, trinkets in various shapes and sizes, especially ones you personally like and you feel represent you and your personality as a creator
 - pressed flowers and leaves
- a selection of objects and photos that feel connected to you including 1 larger object or photo to be used as a focal point in the larger collage. This may be ANY person or an interesting, meaningful object!
- selection of photos, prints or stickers you'd usually use for a collage or art journalling project
